

“COVID-SAFE” SOCIAL CONNECTIONS and COMMUNITY SUPPORT

Do You Want to VOLUNTEER?

Phone a Friend	Make a personal connection with someone new. Island residents invited to meet a Phone buddy to just chat occasionally. It is like a “Pen Pal.”	You will be connected to a person.
How to connect with others	Personal phone training and support to learn to use Zoom, Skype, FaceTime or gain access to virtual programs	Need a few techy folks to provide assistance upon request.
Virtual Speakers Bureau on Zoom	Speaker announced with free attendance on session such as Why do we have fog, How to plant garlic, Owls of the Island, Big trees, History topics, etc..	Do you have an expertise to share? Please let us know!
Cooperative Video Games	Multi-player games where you are on the same team but work from your own location. One example is “Stardew Valley” where you grow crops, build farms, sell produce, buy animals, etc.	Need one or two volunteers who know video games and can help implement.
Scavenger Hunt	Start with your own group or go solo to follow an on-island scavenger hunt.	Would you like to build a virtual Scavenger Hunt?
Outdoor Volunteer	Check out the GICCA Top Ten volunteer opportunities at “myguemes.org” – donate/volunteer tab and contribute time and energy with gardening, maintenance, trail maintenance, etc.	Sign up to help!
Indoor Virtual Volunteer	Grant writing, articles for newsletters, computer support, plan for future special event. Help coordinate volunteer assignments. GICCA appreciates the support	Sign up to help!

Trying to keep it simple with one stop shopping!

Just Email to 4gicca@gmail.com

and we will connect you to other island organizations!
